## **Directors' Responsibilities and Approval**

The directors are required to maintain adequate accounting records and are responsible for the content and integrity of the annual financial statements and related financial information included in this report. It is their responsibility to ensure that the annual financial statements satisfy the financial reporting standards with regards to form and content and present fairly the statement of financial position, results of operations and business of the non-profit company, and explain the transactions and financial position of the business of the non-profit company at the end of the financial year. The annual financial statements are based upon appropriate accounting policies consistently applied throughout the non-profit company and supported by reasonable and prudent judgements and estimates.

The directors acknowledge that they are ultimately responsible for the system of internal financial control established by the non-profit company and place considerable importance on maintaining a strong control environment. To enable the directors to meet these responsibilities, the directors set standards for internal control aimed at reducing the risk of error or loss in a cost effective manner. The standards include the proper delegation of responsibilities within a clearly defined framework, effective accounting procedures and adequate segregation of duties to ensure an acceptable level of risk. These controls are monitored throughout the non-profit company and all employees are required to maintain the highest ethical standards in ensuring the non-profit company's business is conducted in a manner that in all reasonable circumstances is above reproach.

The focus of risk management in the non-profit company is on identifying, assessing, managing and monitoring all known forms of risk across the non-profit company. While operating risk cannot be fully eliminated, the non-profit company endeavours to minimise it by ensuring that appropriate infrastructure, controls, systems and ethical behaviour are applied and managed within predetermined procedures and constraints.

The directors are of the opinion, based on the information and explanations given by management, that the system of internal control provides reasonable assurance that the financial records may be relied on for the preparation of the annual financial statements. However, any system of internal financial control can provide only reasonable, and not absolute, assurance against material misstatement or loss. The going-concern basis has been adopted in preparing the financial statements. Based on forecasts and available cash resources the directors have no reason to believe that the non-profit company will not be a going concern in the foreseeable future. The annual financial statements support the viability of the non-profit company.

The annual financial statements have been audited by the independent auditing firm, DVH Auditors, who have been given unrestricted access to all financial records and related data, including minutes of all meetings of the member, the directors and committees of the directors. The directors believe that all representations made to the independent auditor during the audit were valid and appropriate. The external auditor's unqualified audit report is presented on pages 5 to 6.

The annual financial statements set out on pages 7 to 17, and the supplementary information set out on pages 18 to 19 which have been prepared on the going concern basis, were approved by the directors and were signed on 18 August 2023 on their behalf by:

C Anderson

VP Stannard

**GM Nkomo**

Annual Financial Statements for the year ended 28 February 2023

### **Directors' Report**

The directors present their report for the year ended 28 February 2023.

#### 1. Review of activities

#### Main business and operations

The non-profit company is a collaborative network of Non-Profit Organisations and churches working together with children and families at risk in the Western Cape. There were no major changes herein during the year.

The operating results and statement of financial position of the non-profit company are fully set out in the attached financial statements and do not in our opinion require any further comment.

#### 2. Going concern

The annual financial statements have been prepared on the basis of accounting policies applicable to a going concern. This basis presumes that funds will be available to finance future operations and that the realisation of assets and settlement of liabilities, contingent obligations and commitments will occur in the ordinary course of business.

#### 3. Events after reporting date

The directors are not aware of any matter or circumstance arising since the end of the financial year to the date of this report that could have a material effect on the financial position of the non-profit company.

### 4. Directors

The directors of the non-profit company during the year and up to the date of this report are as follows:

C Anderson

**VP Stannard** 

GM Nkomo

### 5. Solvency and liquidity test

The directors have performed the required solvency and liquidity tests required by the Companies Act of South Africa.

#### 6. Independent Auditors

DVH Auditors were the independent auditors for the year under review.

206 Lange Street . Nieuw Muckleneuk . Pretoria | PO Box 17306 . Groenkloof . 0027 | t: 012 346 2151 | f: 012 346 2154 | e: info@dvhauditors.co.za Partners: Danika van Heerden - B.Com (Hons), C.A. (S.A.) . Kate du Plessis BCom (Hons), C.A. (S.A.)

#### Independent Auditor's Report

To the Members of Connect Christian Network NPC

## Report on the Audit of the Financial Statements

#### **Qualified Opinion**

We have audited the financial statements of Connect Christian Network NPC (the company) set out on pages 7 to 17, which comprise the statement of financial position as at 28 February 2023, statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and the notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effect of the matter described in the Basis for Qualified Opinion section of our report, the financial statements present fairly, in all material respects, the financial position of Connect Christian Network NPC as at 28 February 2023, and its financial performance and cash flows for the year then ended in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities and the requirements of the Companies Act of South Africa.

#### **Basis for Qualified Opinion**

In common with similar non-profit company's, it is not feasible for the company to institute controls over the receipt of donations prior to the initial entry of such receipt in the accounting records. Accordingly, it is impractical for us to extend our examination beyond the receipts actually recorded.

We conducted our audit in accordance with International Standards on Auditing. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the company in accordance with the Independent Regulatory Board for Auditors' Code of Professional Conduct for Registered Auditors (IRBA Code) and other independence requirements applicable to performing audits of financial statements in South Africa. We have fulfilled our other ethical responsibilities in accordance with the IRBA Code and in accordance with other ethical requirements applicable to performing audits in South Africa. The IRBA Code is consistent with the corresponding sections of the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards). We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Other Information

The directors are responsible for the other information. The other information comprises the information included in the document titled "Connect Christian Network NPC financial statements for the year ended 28 February 2023", which includes the Directors' Report as required by the Companies Act of South Africa and the supplementary information as set out on pages 18 to 19. The other information does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Responsibilities of the Directors for the Financial Statements

The directors are responsible for the preparation and fair presentation of the financial statements in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities and the requirements of the Companies Act of South Africa, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design
  and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to
  provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for
  one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the
  override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate
  in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal
  control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors use of the going concern basis of accounting and based on the audit
  evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt
  on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required
  to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are
  inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our
  auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and
  whether the financial statements represent the underlying transactions and events in a manner that achieves fair
  presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### **Accounting Policies**

#### 1. General information

Connect Christian Network NPC ('the non-profit company') is a collaborative network of Non-Profit Organisations and churches working together with children and families at risk in the Western Cape.

The non-profit company is incorporated as a Non-Profit Company and domiciled in South Africa. The address of its registered office is CET, 25 Fountain Square, Main Road, Somerset West, 7130.

#### 2. Basis of preparation and summary of significant accounting policies

The financial statements of Connect Christian Network NPC have been prepared in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities. The financial statements have been prepared under the historical cost convention. They are presented in South African Rand.

The preparation of financial statements in conformity with the International Financial Reporting Standard for Small and Medium-sized Entities requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the non-profit company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in note 3.

The principal accounting policies applied in the preparation of these annual financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### 2.1 Plant and equipment

Property, plant and equipment is stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by the directors.

The non-profit company adds to the carrying amount of an item of property, plant and equipment the cost of replacing parts of such an item when that cost is incurred if the replacement part is expected to provide incremental future benefits to the non-profit company. The carrying amount of the replaced part is derecognised. All other repairs and maintenance are charged to surplus or deficit during the period in which they are incurred.

Depreciation on other assets is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method. The estimated useful lives range as follows:

Asset class	Useful life / depreciation rate	
Fixtures and fittings	6 years	
Office equipment	5 years	
Computer equipment	3 years	

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, if there is an indication of a significant change since the last reporting date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised within 'other gains / (losses)' in the statement of comprehensive income.

(Registration Number 2006/012058/08)
Financial Statements for the year ended 28 February 2023

## **Accounting Policies**

Basis of preparation and summary of significant accounting policies continued...

#### 2.2 Financial instruments

#### Trade and other receivables

Most sales are made on the basis of normal credit terms and the receivables do not bear interest. Where credit is extended beyond normal credit terms, receivables are measured at amortised cost using the effective interest method. At the end of each reporting period, the carrying amounts of trade and other receivables are reviewed to determine whether there is any objective evidence that the amounts are not recoverable. If so, an impairment loss is recognised immediately in surplus or deficit.

Trade and other receivables are classified as debt instruments and loan commitments at amortised cost.

#### Cash and cash equivalents

Cash and cash equivalents includes cash on hand, demand deposits and other short-term highly liquid investments with original maturities of three months or less. Bank overdrafts are shown in current liabilities on the statement of financial position.

#### Trade and other payables

Trade payables are obligations on the basis of normal credit terms and do not bear interest.

#### 2.3 Revenue

Revenue is derived from general fundraising activities, affiliation fees and donations received.

Revenue derived from general fundraising activities is recognised on the date the cash is received and measured at fair value of the consideration accrued to the company.

Revenue derived from affiliation fees are recognised as revenue once affiliates are invoiced.

Revenue derived from donations under an agreement is recognised when the amount can be measured reliably and it is probable that economic benefits associated with the transaction will flow to the company. It is measured at fair value of the consideration accrued to the company.

Interest income is recognised using the effective interest method.

#### 2.4 Donations received

Donations are accounted for on a cash received basis and where donations have been received in kind at a value that the management committee has deemed them to be worth.

#### 2.5 Employee benefits

Employee benefits are all forms of consideration given by an entity in exchange for services rendered by employees or for the termination of employment.

#### 2.6 Borrowing costs

All borrowing costs are recognised in surplus or deficit in the period in which they are incurred.

(Registration Number 2006/012058/08)
Financial Statements for the year ended 28 February 2023

## **Accounting Policies**

## 3. Critical accounting estimates and judgements

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

No significant estimates and adjustments have been applied in the preparation of these financial statements.

(Registration Number 2006/012058/08)
